

# Indian Key Gazette

## NEWS

After a very long hiatus, the gazette is back! This gazette will be distributed monthly at the beginning of the month and will provide relevant information as well as the schedule of the monthly HOA Meeting.

Since the Global COVID-19 Pandemic, and to ensure everyone's safety, we are conducting our meetings via ZOOM.

Please visit our website for more information and a link to the Zoom Meeting.

## F.A.Q.S.

*Q.: I want to paint my house, can I use a different color?*

*A.:* In our website below you will find a list of approved colors to choose from. In addition, you'll need to fill up an ARC form and submit it to our management for written consent.

## WE ARE HIRING!!!

The Board of directors is a group of homeowners that volunteer their time to serve the community. As of the printing of this gazette, there are seats available and the current members are looking for more volunteers to help. Normally the volunteers spend about one to two hours on the monthly meeting and mostly email communications among themselves or the management company.

If you would like to join the efforts to upkeep our community please reach out via email or come to our meeting to express your interest.
