### F.A.Q.S.

*Q.: I want to add a pergola to my patio, do I need to let the HOA know?*

*A.:* Yes, any permanent modification and those that need city permitting need to be previously approved by the board. On our website you will find a copy of the ARC form. Please fill and submit it to our management for written consent. Additionally, please abide by CDD, city and other ordinances, HOA authorization does not imply approval from any other entity.

### GET \$10,000 FOR UPGRADES!!!

Re-enacted by the Florida Legislature the “My Safe Florida Home program” will subsidize owners’ efforts to boost their home’s storm defenses.

Eligible improvements are:

1. Opening protection
2. Exterior doors, garage doors
3. Brace gable ends
4. Reinforcing roof-to wall connections
5. Improving the roof-deck attachments
6. Upgrading from code to code plus
7. Secondary water barrier for roof
